CLOUD COMPUTING (PAPERBACK)

MIT Press Ltd, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Why cloud computing represents a paradigm shift for business, and how business users can best take advantage of cloud services.Most of the information available on cloud computing is either highly technical, with details that are irrelevant to non-technologists, or pure marketing hype, in which the cloud is simply a selling point. This book, however, explains the cloud from the user's viewpoint-the business user's in particular. Nayan...
